### When Pigs Fly

Pigs! Pigs! Everywhere pigs!  
Betty loved the porker gang.  
She collected the pigs both near and far  
And with them, her heart sang.  
So as we began to look around  
We realized right away  
We needed a place for pigs to go  
A new home where they could stay.  
So please take a pig (or two or three)  
As you make your way home today  
And put it proudly on a shelf  
To remember her every day.
